AUCTION 172

APRIL 2024

Auction Details:

Send bids to ATA Auctioneer **Matthew Gibbins** by post to **39 Elinda Place RESERVOIR VIC 3073** or by email to **auction@timetable.org.au**.

Initial bids must be received by **5pm AEST Saturday 20th April, 2024**.

If submitting your bids by post, you should advise the Auctioneer by phone 0401 354 777 or by email in case the postal delivery is delayed.

A reserve price has been set for each Lot, but is not shown in the Catalogue. The reserve price is slightly lower than the estimate shown in the Catalogue.

The reserve price is based on the age and scarcity of the Lot. It does not include the cost of packaging and postage.

All bids should be in whole dollars.

Lots will be sold to the person bidding the highest amount for each Lot, provided it meets the reserve price.

1. If the highest bid is 20% more than the second highest bid, the Lot will be sold at 20% more than the second highest bid.
2. If only one bid is received at or above the reserve, the lot will be sold at the reserve price.
3. If your bid is below the reserve, and there are other bids at or above the reserve, your bid will not be considered.
4. If your bid is below the reserve, and there are no other bids, you will be asked by email or phone if you wish to raise your bid.
5. If identical highest bids are received for a Lot, bidders will be offered the opportunity, by email or by phone if necessary, to resubmit their bid.
6. If there are multiple copies of a Lot, the first, and best, copy goes to the bidder under the rules above. Subsequent copies are allocated to other bidders at their bid price in the order of the highest bids.

The Auctioneer will advise you, preferably by email, of the cost of auction lots where your bid was successful, any applicable discount, the additional cost for the packing and postage, and the total cost of your order. This will be done as soon as practicable after the closing date for bids.

Advice will also be sent to any unsuccessful bidders.

ATA members are given a discount of 5% when the total cost of successful bids is more than \$30, calculated to the nearest 5 cents.

Auction items will be despatched to successful bidders only after payment has been received.

Lots submitted by vendors which are unsold will be allocated to the National Timetable Collection or the Distribution List unless the vendor requests their return.
